Timberaul
Windows and Doors

Cedar and Meranti Collection

DECADES OF CRAFTSMANSHIP

Stegbar started making timber windows and doors in 1946 and has since developed a reputation built on quality, innovation and craftsmanship. As Australia's preferred timber window and door range, Timberaul Windows and Doors will elevate your home and provide you with years of outstanding performance. For natural beauty and thermal excellence, raise the bar with Timberaul from Stegbar.

- Two timber species available - Western Red Cedar and Meranti
- Customisable to suit your project requirements
- Can match existing windows for heritage and window replacement
- Finish options include classic clear coating and pre-primed
- U-values as low as 1.5
- Multiple Hardware options and colours
- Bushfire protection up to BAL 40
- Rigorously tested and Australian made
- Sourced from sustainable plantations
- A large range of glass options available, including double glazing and privacy
- Installation service available
- Market leading 10-year warranty
